

THE NEW 'GREEN' SAVINGS OPTION FROM PURE WATER DELIVERY!

Pure Water Delivery is now offering state-of-the-art water cooler **WITHOUT BOTTLES** that brings the technology of a bottling plant to your company's premises. Our bottle-less cooler looks and works like a traditional water cooler with one big difference — **NO MORE BOTTLES!** Yet you still get Pure Water Delivery's outstanding service and attention from our family-owned and operated business.

Our Bottle-less cooler offers you **QUALITY - CONVENIENCE - FLEXIBILITY- LOW COST**

Still prefer the bottle cooler? Remember, Pure Water Delivery brings water to you in environmentally safe Number 1 grade plastic bottles. Quality and service, makes Pure Water Delivery Kansas City's onsite water delivery service.

To learn how you can save some green while being green call 816-407-1888 or go to www.purewaterdelivery.com for details.

Choosing this new 'Green' Pure Water Delivery option gives our customers:

- Endless supply of quality drinking water ... anytime, anywhere
- Low, stable monthly cost regardless of water usage
- Convenience of quarterly billings
- Hassle free, low maintenance operation
- Eliminates the need for bottle storage space
- Point-of-use filtration system delivers an excellent, safe water taste
